The Assistant Director of Fisheries, Mangalore reports that he is in correspondance with the Collector, South Kanara for the transfer of the tank in the Savner village (not Sarnal) and that the tank in the Kadaba village has been got transferred.

Regarding the tank in the Karkal taluk, the present area of the tank is 5 acres 32 cents but during the rainy season the area extends to 8 acres 52 cents. This additional area of 3 acres 20 cents which is cultivable has been leased to a private party by the Revenue Department

This file deals with the question of taking up of certain tanks in the South Kanara District as recommended by the Forest Grievances Enquiry Committee, for the development of Fisheries. The Forest Grievances Enquiry Committee, South Kanara, reported that there is a large scope of work in the Malnad area in South Kanara District, before the Fisheries Department which will help in supplementing the staple food. The Committee also furnished the particulars of tanks in the Malnad area with details of pisciculture. The following are the tanks in the Malnad area of South Kanara District for development of Fisheries recommended by the Committee

1. Puttur Taluk:- 5 tanks in Kavettu village, one each in Bellare, Kodaba and Kannadi Villages.

2. Coondapur Taluk:- 4 tanks

3. Karaikal Taluk:-1 tank in Vehnur village

2. The Government accordingly directed the D.F. in G.O.No.6172 Development dated 15-12-51 to submit to Government, necessary proposals in the matter with details of staff, cost etc., very urgently.

3. Of the above tanks the following tanks have already been taken over by the Fisheries Department:-

Puttur Taluk:-

(a) Two tanks in Kavettu Villages)
(b) 1 tank in Bellare village) G.O.Ms.No.2891 Dev., dated 22-6-53.
(c) 1 tank in Kadaba village) transferred by the Collector.

(d) 4 tanks (Coondapur Tk.) G.O.Ms.No.4103 Dev., dated 15-9-51.

4. As regards the tank in Savanar village, the D.I.&C., has reported that the matter is under correspondence with the Collector of South Kanara, as some objections have been raised to the transfer of the tank to the Fisheries Department.

5. The D.I.&C., has reported that in the case of the Vettur tank, it could not be taken over immediately, as the tank bed area has been leased out for cultivation and as during rainy season the tank bed also will be covered with water and would be used for piscicultutal pruposes. The question is therefore under correspondence with Collector.

6. The attention is now invited to the D.O. reminder issued to the D.I.&C., on p.1 cf. The D.I.&C., has not so far submitted his final proposals. In his interim reply on p.5 of routine file cf. he has stated that his final reply will be submitted on receipt of the report from the A.D.I., S. Kanara. However his final reply may be awaited till 10-7-54 and he may be ~~reminded~~ next time, by a D.O. — for orders.
